P/B/S - Just passing along a tidbit from Mark Gilbertson, who has returned to be DOE HQ's EM-4 (head of regulatory and intergovernmental affairs) upon Betsy Connell's retirement. Mark indicated DOE briefed the Biden transition team on the dispute. We shared this with OECA FFEO, Region 4 SEMD and ORC, and OGC SWERLO for awareness.

FFRRO is scheduling a general check in with Mark and his team to re-connect on broader DOE and EPA matters with his return to EM from the DOE Office of Science. We will advise on any useful info gleaned from that meeting.
